The Lonely Plays at Orcas Center

This collection of short plays was curated with an overarching theme of loneliness. So much of art grapples with the desperate need we have for connection, bond, love, friendship, anything that lifts us out from our self-imposed isolation. Music helps create the sense of connection between these pieces as well as for the characters themselves.

Valentine's Dining Celebration

Prepare to wine and dine your way through a deliciously romantic Valentine's dining celebration in the San Juan Islands. On February 14, many of our local restaurants are offering Valentine's Day specials - at a variety of locales, fares, and price points - so anyone can enjoy a special dinner for two.

San Juan Community Theatre Presents: The 39 Steps

Calling all Alfred Hitchcock fans! This thriller is one-part juicy spy novel, one-part Hitchcock classic, and a touch of Monty Python. The show follows a notorious fugitive and a captivated leading lady all over the map from a London music hall to Scotland's remote highlands. The goal is to save Britain from a den of spies. The cast of seven actors play over 150 characters in this lightning-paced tale.
