When Zeus's master lightning bolt is stolen and Percy becomes the prime suspect, he has to find and return the bolt to prove his innocence and prevent a war between the gods. But to succeed in his quest, Percy must travel to the Underworld and back; solve the riddle of the Oracle, which warns him of betrayal by a friend; and come to terms with the father who abandoned him.

An Evening with Tiller's Folly

For over twenty years, Tiller's Folly has been uniting the past with the present as modern-day storytellers of lore, singing the West's pioneer history to life. They set out to preserve a measure of the West's colonial heritage in stories & songs. Drawing influence from Scottish, Irish, and Maritime Music traditions, Tiller's Folly has continued to expand and refine its potent blend of Pacific Canadiana, and 'beyond.'
