## STAY UPDATED WITH WHAT HAPPENS IN THE SAN JUAN ISLANDS!

### Savor The San Juans This Fall

"Savor the San Juans" is a fall celebration of food, farms, and films - now in its 15th year! Enjoy farm tours, farmers markets, two film festivals and a brew fest, harvest dinners, wine, and spirit tastings and so much more! Runs from late September to early November on Lopez, Orcas, and San Juan Island!

### PADS for Parkinson's

PADs is the first program of its kind in North America that trains dogs to detect an odor associated with Parkinson's Disease. Today, PADs is proud to introduce 22-star bio-detection dogs in the program, all with an accuracy (sensitivity rating) of 90% or greater in their collective ability to detect this debilitating disease. PADs is giving the world another reason why dogs are so wonderful!
